Alkira Secondary College students are required to have access to a laptop at school to support their learning. The College has a partnership through Edunet that supports parents in purchasing a device. You can access information about Edunet and Alkira Secondary College minimum specification requirements via the College website.

Please note that some items on this Resource List are digital products. If you're buying a reactivation code, you'll need to have a second-hand copy of the required book with an access code inside to access the digital content. Digital texts are valid for 1 year unless noted otherwise. Please make sure you're certain before ordering, as digital resources cannot be returned, refunded, or exchanged if you change your mind.
