Alkira Secondary College is a Bring Your Own Device (BYOD) school. This means that it is an expectation that all students provide a portable electronic device to assist in their learning. A portable electronic device refers to a laptop computer or a tablet. Laptop computers are the Colleges preferred device; tablets can be used, but users need to be aware that they have limitations. Mobile phones are not BYOD devices and cannot be used as such.

The College has a partnership through Edunet that support parents in purchasing a device. You can access information about Edunet and the Colleges minimum specification requirements via the College Website - BYOD portal.
