Please note that there are digital products (eCode or cCode) on this Resource List. These products are single user licenses and are only valid for 1 year (unless otherwise stated). Digital resources cannot be returned, refunded or exchanged if you do change your mind, even if you haven't used or activated them. We recommend you please order your items carefully ensuring the correct resources are selected for your child's subjects.

Alkira Secondary College is a Bring Your Own Device (BYOD) school. This means that it is an expectation that all students provide a portable electronic device to assist in their learning. A portable electronic device refers to a laptop computer or a tablet. Laptop computers are the Colleges preferred device; tablets can be used, but users need to be aware that they have limitations. Mobile phones are not BYOD devices and cannot be used as such.

The College has a partnership through Edunet that support parents in purchasing a device. You can access information about Edunet and the Colleges minimum specification requirements via the College Website - BYOD portal.
