Alkira Secondary College is a Bring Your Own Device (BYOD) school. Students are permitted to bring a device to school to support their learning. The preferred portable electronic device is a laptop. While a tablet can be used, it has limitations. Mobile phones are **not** a BYOD.

The College has a partnership through Edunet that support parents in purchasing a device. You can access information about Edunet and the Colleges minimum specification requirements via the College Website - BYOD portal.

VCE UNITS 1 & 2, 3 & 4

In 2024, a special Edrolo deal has been developed for Alkira Secondary College students, as many of our students have enrolled in multiple subjects requiring this resource.

The cost of access to Edrolo is \$50 each subject with a cap of \$150; As soon as an individual student selects **three Edrolo subjects they will unlock the complete Edrolo suite**, which will support their learning in a number of subject areas.

Without this, the individual cost would have been \$80 per subject and therefore, this will provide a substantial cost saving.
