Alkira Secondary College is a Bring Your Own Device (BYOD) school. Students are permitted to bring a device to school to support their learning. The preferred portable electronic device is a laptop. While a tablet can be used, it has limitations. Mobile phones are not a BYOD.			
The College has a partnership through Edunet that support parents in purchasing a device. You can access information about Edunet and the Colleges minimum specification requirements via the College Website - BYOD portal.
