COLLEGE UNIFORM INFORMATION FOR PARENTS DEC 2020/JAN 2021

Alkira Secondary College has a trans-seasonal school uniform which means a student can elect to wear any part of the uniform all year round. For example: a female student may elect to wear the dress all year, whereas a Yr 10 girl may elect to wear the skirt with a white shirt for the colder months (but must have a tie – see further below). A male student can wear the College polo with the Khaki (old style) or blue pants. With each example the key is the student is in full school uniform.

The College has changed to an approved navy shorts and pants with logo, but have a two-year phasing in period – meaning our Khaki pants, shorts can still be worn.

There is a specific PE uniform which **can only be worn on a day that students have PE class**, this also includes students in sports academy students. Students in Yrs 10-12 fall under the same expectations.

Other guidelines/reminders in relation to our uniform are:

- The College school tie **must** be worn with any long sleeve white shirt
- There is a College approved beanie and scarf
- A student may elect to wear the new College rugby top or the blue knitted jumper.
These can be worn at any time and with any other uniform item.
- College polo can be worn with the winter skirt if the student chooses this combination
- Stud earrings and sleepers can be worn – but one in each ear lobe – no spacers, ear bars or dangling earrings are allowed due to OH&S
- One discrete nose stud is allowed
- Extreme hair colours / highlights are not permitted along extreme length nails

The College recognizes that from time to time a student might be out of uniform for any item. It is the College expectation that student arrive at school and goes to the PCL office to borrow a loan uniform item prior to the beginning of the day. Students who do not have school shoes on must have a note from home.
